

Connections Counselling and Consulting Foundation

When I announced to the board and staff that I would be resigning as Agency Director at Connections effective January 31, 2011, it was with mixed emotions. The past 11 years was an exciting, challenging and rewarding adventure, one I've been very proud to have been a part of.

The support of the staff, Board of Directors, families, Friends of Connections and other professionals has been essential to both me and Connections. I'd like to extend my sincere appreciation for this support and your belief in our organization as we continue to support individuals and families impacted by intellectual disabilities. I am confident that same support will be extended to the new Agency Director. With that in mind...

**Connections**  
is very pleased to announce  
**Erin Waite**  
has accepted the position of Agency Director.

Erin will begin this position on January 4, 2011, to ensure a month's transition period. Erin brings an extensive background in business management and communications, which she has successfully incorporated during her transition to the non-profit sector over the past six years. Please join Connections in welcoming Erin to the team.

Once again thank you.

Sincere regards,

*Pat Morris*
